

ARCHITECTURE COMMITTEE REPORT JANUARY 1- PRESENT

November 29, 2018

Barbara Britt
Linda Bolling

Between 1/1/18 and 11/29/18 reviewed the following home owner requests:

1/8/2018 Unit 5A1 Request to install combination door lock with level handle – Approved

1/18/2018 Unit 7A Replace all windows with Pella Impervia – Approved

1/28/2018 Unit 15B1 Replace 2 sliding doors with Pella Impervia – Approved

1/30/2018 Unit 11A1 Request to create opening in side of deck with steps down to path to access dock. – Denied (width of opening in deck not feasible due to downspout location and impact on landscaping from behind unit to dock and not sufficient space to safely walk from behind unit to dock.)

1/30/2018 Unit 15B1 Request to install combination door lock with level handle on entry door – Approved

2/26/2018 Unit 6A3 Request to replace 2 skylights – Approved

6/21/2018 Unit 16A Request to replace river rocks (prior owner did not request or receive approval) ,with cement pavers -Denied (Request contained a number of additional changes not within purview of AC. Request was referred to BOD & Metropolitan.)

7/27/2018 Unit 15A3 Request to replace 2 living room picture windows Approved

11/12/2018 Unit 5A1 Request to replace 7 windows and sliding door – Approved
