

Shearwater Pool Committee Report

13 February 2014

Highlights from the previous month:

- The pool operation contract for 2014 has been signed with Anchor Aquatics after reviewing proposals from three pool companies.
- Alex , one of the Anchor pool managers, has been working on doing a through straightening and cleaning of the pump and guard rooms.
- No issues were reported and the water level checked out fine during the January check.
- Anchor will be doing this on a monthly basis till the pool opens.
- I will be working on scheduling the pool parties in the next few months.
