

March 2005 Status Report: Shearwater Pool

The Shearwater pool will open on the Saturday of Memorial Weekend, May 29th. The times will be 11 am to 7pm Monday thru Friday. Weekend hours are 10am to 7.

Flower plantings along side the pool embankment have been scheduled for the middle of May.

Anchor Pool Company will ready the pool, as well as clean the bathrooms and pool room. They also clean the pool chairs. They require a signed contract by May 1 so they can start setting up the pool for use.

We currently have an estimate of \$571 for maintenance that must be performed before the pool opening.
