Please note: Due to the fact that I may not return to Annapolis in time for the pool opening Memorial Day weekend, I have not planned anything special for that day/weekend. It would be wonderful for anyone who is interested in planning some Memorial Day activities, please take charge! One request - please email me and/ or Lynn Maichle to let us know what the plan is! There is a supply of plates, cups, utensils, napkins available to use in the office, and the refrigerator should be plugged in and ready to use. (Note regarding the refrigerator- use the double door fridge, not the smaller one.) The grill is available for hot dogs and burgers and has a propane filled tank if some one would want to make sure the cooking surface is clean to use. We will have some usage guidelines posted on the grill.

The Grand Re-Opening of the newly renovated Pool Building will be celebrated either on Memorial Day or at the Cool Pool BBQ in June, to be decided!

3. New ideas for Poolside Events

I would love to get some new events going at the pool and welcome ideas. One fun idea last summer was to have one or two movie nights on the pool deck - if anyone has a connection or information to either borrowing or renting the necessary equipment, please let us know!

4. Volunteers needed!

I have enjoyed watching over the Shearwater Pool operations for about 8 years now as both a Committee member and Chairperson. It is time to pass the baton and I would love to partner up with a resident this season to show them the ropes. We also have a need for at least two additional residents willing to help on the Committee. If you love our Pool as much as I do - please get in touch with me or Lynn Maichle!

We look forward to seeing everyone at the pool this year!

Sincere Thanks, Tina Ligon
