Pool Committee Report

June 2014

Highlights from the previous month:

- POOL IS OPEN!
- Pool binder, sign-in sheets, and restroom checklists are in place
- Pool rules are laminated and posted.
- The sprinkler system with timer and 100' of soaker hoses appears to be doing its job of watering the new trees along the pool fence and the flower box inside the pool area.
- Fliers are out on the mailboxes for the first pool spring/summer party: it has an Italian theme and is scheduled for Saturday June 14, 5:30-8:00 pm
