

Shearwater Pool Committee Report for July, 2015

The Shearwater Pool is having a great season! The annual Cool Pool BBQ was held on July 11 after a delay from a June date that was rained out. We had a perfect day to munch on a great BBQ dinner from Adam's Ribs - 35 people were in attendance. Thanks to all who contributed wonderful desserts! Our next events will be a cocktail Happy Hour in August, followed by our BBQ Labor Day Grill Out and Pooch Plunge in September to close out our summer. Watch for details and exact dates to be posted at your building mailbox bulletin boards!

Our broken entryway concrete is on the slate to be replaced as soon as weather allows, so we hope to notify our residents with as much notice as possible! The pool will have to close for a few days, due to not being able to access the bathrooms while the concrete is hammered out and replaced. We are sorry for any inconvenience this may cause.

There is still plenty of time to come on down to say hello to Teodora, our lifeguard, and soak in some sun and fun at the pool! Please don't forget to sign in when you enter the pool deck. Bring your picnic lunch to enjoy poolside and be sure to use the refrigerator if you need to keep something cold! See you there!
