

Pool Committee Report for October, 2015

The Shearwater Pool is all covered and will soon be completely winterized.

Items for final approval at this October meeting:

- 1.) Estimates for the much needed tile and edging (coping) replacement, expansion joints and other caulking around the pool are being finalized to be ready for selection and approval for the work.
- 2.) Final information and approval for the repair to damage in the Ladies' Bathroom sustained last November, 2013.
- 3.) Review contractor estimates for concrete work to be done at the entrance of the pool.

Items for future consideration being researched and discussed amongst the Pool Committee Members:

- 1.) Counter replacements and other up-dating for the bathrooms/showers, to include painting the concrete floors.
- 2.) Possible usage of the deck space adjoining the pool outside of the pool season.

Thanks, Tina Ligon
Shearwater Pool Committee Chair
